4 The Jahgirdar's letter of 8-11-23 in the file merely means that the Sub Assistant Surgeon in charge of the Yelandur Dispensary is a qualified medical man and therefore competent to hold P.M. Examination. But the point referred to in this office letter of 26-11-23, is the absence of any kind of control over that Sub Assistant Surgeon by the District Medical Officer, Mysore, who is expected to countersign the P.M. certificates. The only solution appears to me to be that the Jahgir authorities kindly transfer the dispensary to the management of this department, continuing to pay Government the cost of its up-keep, just as is now done in the case of the Sringeri Jahgir Dispensary. It is obviously inconvenient for the District Medical Officer to countersign or call in question the statements of one who is not independent of him.

Narsipur Taluk Head quarters.

As this involves the investing of the Asst Surgeon with Magisterial powers, the Medical branch & the Senior Surgeon are of opinion that this would be inexpedient unless the Control over the Asst Asst Surgeon is vested in the Dept by sending the services of such an officer to the Dept or treating the officer as a local officer.

The Dewan is not willing to add to the number of local officers & states that if it is not possible to invest the present officer who has been pronounced as Capable by the Senior Surgeon with the powers, the existing state of things may continue

TO

B. Nagappa, Esq., Bar-at-Law,
Secretary to the Government of Mysore,
Local & Legislative Departments.

SIR,

I have the honor to state that the District Superintendent of Police, Mysore, reports that much inconvenience is caused by the Sub Assistant Surgeon of the Yelandur Jahagir not being permitted to conduct Post Mortem Examinations on the dead bodies sent by the Jahagir Police. The practice at present is to send the bodies to the Local Fund Dispensary either at Chamarajnagar or at T.Narsipur for Post Mortem Examination. During the Monsoon, the weather and distance do not permit the transmission of the dead bodies without the risk of putrefaction rendering the Post Mortem examination useless. It may so happen in certain cases that autopsy has to be conducted on the spot where the dead body is found. In such cases great delay and hardship will result.

The Senior Surgeon with the Government of Mysore, who was written to, stated in his letter No. Dis. B.378 dated the 26th November 1923, that the Dispensary at Yelandur is a private institution and that the Medical Officer in charge of it, being the employee of the Jahgirdar is not under the control of his Department.

The guardian of the minor Jahgirdar of Yelandur who was consulted in the matter is of opinion that the Sub Assistant Surgeons appointed by the Administrators of the

Jahgir are generally retired Sub Assistant Surgeons who had been empowered to conduct post mortem examinations while in Government service and that they may be safely entrusted with power to conduct post mortem examinations to obviate such inconvenience.

Under the circumstances stated above, I request that you may be so good as to obtain the orders of Government (1) appointing the Sub Assistant Surgeons of Yelandur to conduct post mortem examinations under Section 174 Criminal Procedure Code and (2) directing the District Medical Officer, Mysore to countersign the post mortem certificates granted by them.

Copies of this office letter to the Senior Surgeon in Mysore and of his reply thereto together with that of the letter of the guardian of the Minor Jahgirdar are enclosed for reference.

I have the honor to be,
Sir,
Your most obedient servant,

Inspector General of Police.

Sir,

With reference to your No.661/53 forwarding copy of letter No.C.891/23 dated the 31st Ultimo addressed by you to the Senior Surgeon in Mysore in the matter of Post Mortem Examinations being conducted in future by the Jahagir Sub Assistant Surgeon, I have the honor to state that the difficulty and hardship brought to the notice by the District Superintendent of Police, Mysore, is quite true.

I understand that dead bodies requiring Post mortem examinations are being sent all the way either to Chamrajnagar or T.Narsipur Taluk Head Quarters and it is needless for me to say that this course is generally attended with great risk and trouble, not to speak of the unnecessary delay caused thereby.

As the present local medical officer who is a retired Senior Sub Assistant Surgeon, is fully qualified to conduct Post mortem examinations, I think he may be safely entrusted with this work to avoid the delay and other hardships now experienced by the Jahagir Police and the public.

It may be mentioned here that there is a dead house in existence at Yelandur where post mortem cases can be

With reference to the correspondence ending with letter No. 215, dated the 25th/30th April 1924 from the Guardian to the Minor Jahagirdar of Yelandur in the matter of empowering the Sub Assistant Surgeon of Yelandur to conduct post-mortem examinations, I am directed to state that the proposal will necessitate the investiture of the officer with statutory powers and as such the conditions of his appointment will be similar to the appointments of Amildars and Police officers within the Jaghir. It will be seen that the Jaghir will therefore have to employ a lent officer though it would be consulted in regard to the selection of the officer to be appointed. Government will be glad to pass suitable orders if the above suggestion is agreeable to you.
